**ORDER CONCLUDING PROCEEDINGS<sup>1</sup>**

**Roth**, Special Master:

On March 16, 2021, petitioner filed a Notice to Withdraw under 42 U.S.C. §300aa-21(b) to pursue civil action. *See* ECF No. 24.

Based on petitioner's Notice, it appears she is electing to exercise her right under §300aa-21(b) to withdraw her petition following the Court's failure to issue a decision within 240 days of the filing of said petition. Therefore, petitioner's request to withdraw her petition is granted.

Accordingly, pursuant to Vaccine Rule 29(c), this Order concludes proceedings. The Clerk of Court is hereby notified that the proceedings “on the merits” of this petition are now concluded, but no judgement “on the merits” should be entered by the Clerk’s Office.

<sup>1</sup> Though this Order has been formally designated “unpublished,” it will nevertheless be posted on the Court of Federal Claims’ website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). This means this Order will be available to anyone with access to the internet. However, the parties may object to the Order’s inclusion of certain kinds of confidential information. Specifically, under Vaccine Rule 18(b), each party has fourteen days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, the whole Order will be available to the public. *Id.*

**IT IS SO ORDERED.**
